

**IN THE DRAWINGS**

Please replace the previously filed and approved drawings FIGS. 1A-1E, 2A-2E, 3, 4A-4B, 5A-5B, 6A-6B, and 7A-7B with the replacement figures that are attached to the Appendix following page 4 of this paper.

**REMARKS**

The applicants wish to replace the figures that were originally submitted with the replacement figures that are attached following page 4 of this paper. The new figures are essentially "cleaner" versions of the originals, with the notable exception that FIGS. 2A-2E are now perspective views, rather than profile views. The BRIEF DESCRIPTION OF THE DRAWINGS section of the specification is amended to reflect that FIGS. 2A-2E are perspective views.

No new subject matter is added and the application remains in condition for allowance. Since it is believed that this amendment more clearly discloses the invention and does not require a substantial amount of additional work on the part of the Office, the applicants respectfully request that the amendment be recommended for entry. MP 3P 714.16. It is understood that the deadline for payment of the Issue Fee continues to run from the date when the Notice of Allowance was mailed (3 February 2005).

Respectfully submitted,

MARGER JOHNSON & McCOLLOM, P.C.
